**Made in America!**

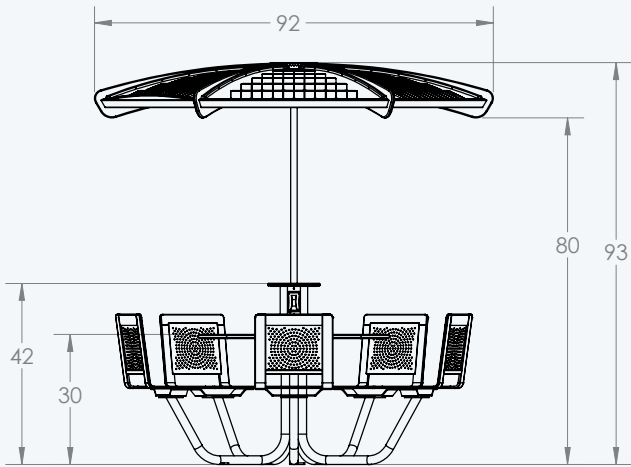

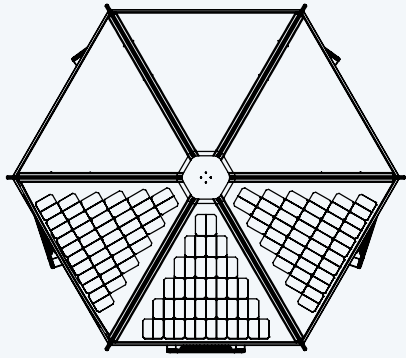

Introducing the “Aurora-Solar Canopy”, a solar-powered umbrella that has been designed to compliment several picnic table models on the market that are equipped with a 1-1/2” dia umbrella mounting hole in table surface. If you happen to need a table, no problem, EnerFusion also offers the Aurora-Solar Canopy with the Aurora Table with 4, 5, or 6 seating positions.

This charging station is a great addition to any campus or outdoor venue.

The Aurora-Solar Canopy has been designed to provide self-sustaining “GREEN” energy wherever it is placed outdoors with access to direct sunlight.

Not only is this electronic device charging oasis powered by the sun, it is also made from recycled materials to be an eco-friendly masterpiece.
